Brick Labs Inc.

After-School and Weekend Programs

Rolling enrollment from September to June. Classes are once per week.
Flexible scheduling from Tuesday to Sunday. Small class sizes for maximum engagement.
Please visit www.bricklabs.ca or call us for more program information.

Creator Club (ages 5-12) | 50 min \$129+hst or 90 min \$199+hst

10 weeks - 50 minute sessions or 90 minute sessions

Builders will use their imagination to build super structures, inspiring LEGO® art and more.

Innovator Club (ages 5-12) | 50 min \$129+hst or 90 min \$199+hst

10 weeks - 50 minute sessions or 90 minute sessions

Exciting experiments that teach builders concepts based on science and mathematics.

Story Maker Club (ages 5-7) | \$129+hst

8 weeks - 60 minute sessions

Story Maker builds vocabulary, oral communication, and presentation skills through small group exercises and discussions.

Math Booster Club (ages 5-8) | \$225+hst

8 weeks - 60 minute sessions

A fun way to learn curriculum based math concepts. We use tactile, visual methodologies to get the kids learning experiential.

Mechanics and Engineering (ages 7+) | \$225+hst

8 weeks - 60 minute sessions

An introduction to mechanics and engineering concepts using LEGO® Technic, power functions and more. This is a great precursor for our mechanics and robotics program.

Mechanics and Robotics Club (ages 9+) | \$250+hst *Not available for rolling enrollment. Limited space.

10 weeks - 90 minute sessions

An introduction to mechanics and robotics technology using LEGO® Mindstorms® EV3 robots.

Brick Flick Club (ages 10+) | \$375+hst * Not available for rolling enrollment. Limited space.

10 weeks - 90 minute sessions

Create your own LEGO stop-motion animation short film. Learn about production, staging, filming, lighting and more!

Advanced Builders Community (ages 11-15) | \$199+hst

10 weeks - 90 minute sessions

Collaborate, learn, and share building ideas and techniques with fellow Advanced Builders.
